

GIZ India Gender Day 2019

GENDER MEET: GENDER RELOADED

7th March 2019: 10:00 am – 12:30 pm

Venue: Eschborn Meeting Room, GIZ Office - B5/2, Safdarjung Enclave, New Delhi, India

Gender Equality and the elimination of existing gender discrimination are vital in assuring the quality of our work, and they are key elements of our corporate vision: “We work to shape a future worth living around the world”. We can only realise this vision if gender aspects are integrated into all relevant GIZ strategies, processes and procedures and are taken adequately into consideration in all areas of action which ensures sustainability.

On 18 December 2018, the Management Board of GIZ adopted the new GIZ Gender Strategy and its internal Operationalisation Guideline. The new GIZ Gender Strategy follows the underlining principle “**Gender Reloaded: Vision needs Attitude – Attitude meets Action**” and is the guiding framework for all managers, employees and other members of GIZ’s workforce who are responsible for the implementation of the strategy. It is with this attitude that the gender strategy would be translated to specific actions which brings the strategy to life.

The GIZ Gender Week is an opportunity for us here at GIZ India to take into cognizance the new reloaded strategy. It is also an opportunity to turn inwards, to see how the strategy can be reflected in our specific areas of work. It is with this intent, that GIZ India will organize its ‘**Eleventh Gender Meet**’ which is scheduled to take place on **Thursday, 7th March 2019 at Eschborn Meeting Room from 10:00 am to 12:30 pm. Registration and welcome tea and coffee will be served from 9:30 am onwards.**

The GIZ India Gender Focal Point will introduce the new Reloaded Gender Strategy and seek insights into planned or ongoing contributions to the implementation of the new gender strategy. We will also take the opportunity to discuss key strategic elements of the strategy which focuses on *Corporate Culture* and *Gender Equality within the Company*.

Let us come together to reflect, dialogue and understand more of our Reloaded Attitude which will meet the necessary Action for sustainable development.

We warmly invite you to join us and contribute to this important meeting!
